Descrizione

"La casa di dora" is the ideal facility where to reach an armonic connection with the cultural and rural district of marche. Sited in Belforte del chienti, a small and friendly village located half way beetwen the adriatic coast and the sibillini's National park, it offers the possibility to visit precious and ancient local art treasures, enter the amazing Sibillini's mountain landscape or simply lie down enjoying the sunshine on the shore. The building is a traditional farmhouse, recently renovated, where it's possible to stay in flats provided with all confort

Altro

every flat is independent and furnished with bed rooms, toilette, kitchen-lounge and tv. All the furniture are carefully planned, from the kichten functionality to the bedrooms with handmade linen cloths, in order to provide our guest practical spaces and to fit with different needs.

Outside the farmhouse, sorrounded by our organic growing, a modern biodesign swimming pool with biodepurated water and sidewalls made with marble cobblestones, together with an outdoor drawing room, give the structure a natural look for unforgettable relaxing moments
