Descrizione

The Bed & Breakfast Borgo San Pietro is named after the nearby church of San Pietro (XI Century). Our B&B includes two prestigious buildings dating back to the early 20th century. The structures have been totally renovated according to the local rural style. Borgo San Pietro is in the heart of Agnone, the "City of Art" of Molise, which was awarded the Orange Flag by the Italian Touring Club (quality award for highly valued environmental tourism)

Guests of Borgo San Pietro are hosted in fine rooms and apartments in two buildings early 20th century. The two buildings have been beautifully renovated by local craftsmen, who were able to uncover the otherwise lost stone walls and brick arches. The chianche tiles (original flooring) were recuperated and also the original furniture was rescued and finished. Every little detail in the apartments reflects the rural styles of these lands, further enriched by early 20th century iron bed frames and handmade curtains. The B&B offers apartments accommodating 2 to 4 people, fully equipped with a kitchen, private bathroom and panoramic balconies. Guests can also choose amongst the double bedroom, all with private bathrooms. Make yourself an open air lounge surrounded by the history and culture of Agnone "The City of Art".
