Descrizione

Among the delicate hills of the Chianti, in the beautiful country Tuscany, between the cities of art and the historical countries of the province of Siena, rich of old castles and monumental abbeys, found our Bed & Breakfast, where greeting is the style of life of all the family. Here, where it reigns the heat of the hearth, you will not be of the simple customers but true hosts of our house. To the Bed and Breakfast Antico podere Il Bugnolo not to only rent one room to you, we are not one photo on an anonymous catalogue, not to only deliver the keys and to say as the gas is ignited, but we share with you the customs, our lifestyle, the Tuscany culture.
