Descrizione

Not far from Rome, set in among the wooded hills so characteristic of the splendid Umbrian countryside, is the perfect refuge from the stress and strains of work and day-to-day routine.

The Volo Resort is a very special experience - blending elements of the family farm, the hotel, the country house and the beauty farm.

The stone farm house, almost hidden by old majestic oaks, is set high and secluded on a hill with a magnificent view, and is close to some of the most interesting cultural and historical sites in Umbria.

It is the ideal spot for anyone seeking peace, tranquility and contact with nature in a friendly family atmosphere.

The Volo Resort offers five apartments, a very beautiful swimming pool set in a flowering rock garden, a panoramic terrace with a barbeque and wood-fired oven, and a vast lounge which is always open, where guests can socialise and get to know each other, and maybe organise supper or a pizza party together.
