Descrizione

You will be welcomed by Alessandro and Anna, who will be only too happy to let you take part in farmwork if you wish to, and will disclose to you the "secrets" of the land...

According to choice, the ANTICA FATTORIA DEL COLLE provides either rooms or mini-apartments with cooking facilities, all of which have their own entrance, own bathroom with shower, heating and all necessary linen. At the Fattoria, you can alternate amusement and rest (or study) with a swim in the pool on its terrace tucked between an olive grove above and the vineyard below, play bowls or go walking or riding on mountain-bikes along the little unpaved country roads. If you need more, there is also ping-pong, billiards. Afterwards, near our farmhouse, there is the possibility for horse riding lovers to enjoy some riding around our country-side and if necessary take lessons. At the table, besides tasty and genuine "classical" dishes, you can discover old regional recipes, not only Umbrian, utilizing almost exclusively farm products, and all bearing witness to the philosophy that food should be a joy to the spirit, as well as to the eye and stomach.
