**Descrizione**

. At the foot of Assisi, "The Ford" is an old farmhouse from the early 1400 with a magnificent view over the city of Assisi and the Basilica of San Francesco. And 'Tescio adjacent to the river, whose banks are now articulated a natural and relaxing green path in a wooded area, which, starting from the house, comes to the gates of the Basilica of St. Francis of Assisi. Beautifully restored, with garden and swimming pool surrounded by lush plants and flowers, the B & B combines the most modern comforts (air conditioning, private parking, swimming pool, internet, tv room ...) to taste and simplicity. In a very special and unique, almost idyllic, mingled perfumes of history and, in direct contact with nature, you can have relaxation, tranquility, and swim, if you like, long walks and bike rides.
