**Descrizione**

Ca' Milone it's on the road that from Pare' di Conegliano climbs to the right, towards San Pietro di Feletto and takes you to Valdobbiadene, along the famous Prosecco Route. Ca' Milone, manor house, since 1860, at the centre of an estate of 10 hectares, is a long main structure among a small cluster of rural buildings surrounded by trees. Recently restored, it has a large garden with century old trees, a flat 1,100 m jogging ring, a playground for the kids and a swimming pool.
