**Descrizione**

Resting on the green hills of the Trevisan March, in a panoramic area only minutes away from Asolo and the Palladian villas, and not far from Venice, Col delle Rane, a skillfully restored 18th century farmhouse, is the ideal place for a happy holiday. Our comfortable interiors and warm welcome of the Gallina family are just the thing for a nice, relaxing stay. In the simple elegance of an old Venetian farm, you'll find rooms offering every comfort and service. A lovely buffet breakfast with jams, fruit juices, cakes and lots of natural products from our farm. Col delle Rane offers you a holiday with plenty of relaxation and leisure activities. A series of hills and vineyards are the setting for some superb trekking: you can walk or use our bicycles. Also available are ping pong facilities, a large leisure garden and our bio-swimming pool. Only a few miles away from Asolo and Treviso, and a short distance from Venice, Col delle Rane is an excellent starting point to discover the Veneto. You can wander through Palladian villas and Valdobbiadene's Prosecco hills, with easy access to Padua to admire Giotto's paintings, or to charming Verona, Vicenza and its Palladian buildings, the Dolomites, Cortina and the Brenta Riviera, and enjoy Giorgione's and Canova's works in the area. We will be delighted to advise you and provide materials on events, exhibitions or food and wine routes, to make your stay as pleasant as possible. The guest farm is a must if you love the peace and quiet of the country.
