Our Bed and Breakfast is part of what used to be a court for nobility dating back to the 17th century, situated in the foothills, 15 minutes from Parma but immersed in total rurality. Guests can enjoy a warm but discreet family atmosphere in a quiet and relaxing environment in the middle of the countryside. Staying at CANCEBAIA B & B is ideal for the tourist, for business people, for families with children and for animal-lovers who prefer to travel with their pets. Guests can visit the family farm area and discover how the famous Parmesan Cheese is produced. Bedrooms: Within the original court structure, we have recently built three double bedrooms, each with a name: Acacia, Ciliegia, Margherita. The bedrooms are in a part of the farmhouse, reserved especially for guests, with a private entrance and with complete freedom to come and go as is desired. Furnishings are simple and comfortable designed to make guests feel at home. Breakfast, served on a large and sunny veranda and weather permitting under the arches of the court quadrangle, is varied and plentiful with natural, home made products such as jam, cakes, fresh bread, honey, fresh farm milk, barley beverage, seasonal fruits, salami produced in the area and our own Parmesan Cheese. Cancabaia B & B is open to everyone travelling with their pets. Cats and dogs are accepted on condition notification is given when making the reservation. Guests can relax and talk on the large terrace and enjoy the overall quietness of the location. There are plenty of interesting walks both in the nearby woods or in the surrounding countryside. There is a large parking area inside
