Descrizione

This typical XVI century rural complex, completely restored in original local style, Agriturismo "Elisei" offers the best of hospitality in its apartments and rooms. Set in open, green countryside with hills rising to the mountains beyond, this corner of Le Marche is called the "Land of Harmonies". Surrounded by woodland and meadows, this area is part of a circuit called "Paesaggi d'Aqua", which was awarded the Milfor 1999 prize as the best environmental circuit in Italy, ideal for long walks and mountain biking. Guests can relax at the large swimming pool set in the garden, overlooking the countryside. There is also a six seater spa and a sauna at their disposal.
